Re: Reference letter for Yaryna Laiter

To whom it may concern:

Dear Sir/Madam,

It is my pleasure to recommend Yaryna Laiter, a 3rd year student of the Faculty of Economics (major in Computer Science) of the National University of Ostroh Academy who is applying to St. Andrews University for a semester exchange program during the second semester of 2023-2024 academic year.

Yaryna Laiter is an exceptional student with significant potential in the field of computer science. She has consistently demonstrated outstanding academic achievements and a deep interest in studying modern technologies. Her ability to analyze, solve problems, and work as part of a team makes her an excellent choice for participation in the exchange program.

Yaryna has demonstrated significant interest to international education. She possesses an open-minded approach to cultural exchange and learning in a new academic environment. Her motivation and ability to work independently will contribute to the successful completion of the exchange program.

I wholeheartedly recommend Yaryna Laiter for participation in this semester exchange program. I am confident that she will represent National University Ostroh Academy with great distinction and her contributions to the academic and cultural environment at St. Andrews will be highly valuable. I wish Yaryna Laiter every success in her adventure on the exchange program and am certain that she will be an asset to the Linuversity of St. Andrews.

Please do not hesitate to contact went you require more information.

Sincerely,
